

Application of Guam Cable Group, Inc. ("Guam Cable") to provide facilities-based and resold services to all international points, and ISR service to all authorized destinations.

Attachment 1

A Response to Question 9. Guam Cable states that this application qualifies for streamlined processing pursuant to section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. The Commission has previously determined that Guam Cable's foreign carrier affiliates lack market power in their respective destination markets. See In the Matter of PCI Communications, Inc., para. 7, File NO. ITC-T/C-19990130-00119, rel. September 27, 1999 (DA 99-1976).

A Response to Question 10. Guam Cable will only provide switched basic services over its resold private lines to those destinations that the Commission has previously authorized the provision of such services, or to which the Commission subsequently provides such authorization. Guam Cable does not request in this application that the Commission add a foreign market to its list of authorized destinations.

A Response to Questions 11 and 12. Guam Cable states that it is affiliated with certain foreign carriers, as set forth herein. Guam Cable is an indirect subsidiary of Startec Global Communications Corporation ("Startec Global"). Startec Global also controls the following foreign carrier subsidiaries:
